- -

The USRA logo decal is mandatory for all divisions and must be positioned on the A-pillar or at the top of door nearest the A-pillar on both sides of the racecar. Drivers must display approved sponsor decals in clearly visible locations in order to be eligible for cash and/or contingency awards offered by those sponsors. Approved decals will be distributed by the USRA. Points funds and contingency awards are made possible by our generous sponsors, so please support the companies that support your effort, and tell them 'Thanks' when the opportunity presents itself.
