The best 12 points nights for each Member will be used to calculate points. Driver must compete in at least 12 events to be eligible for points funds which are pro-rated by percentage of events attended. Members-Only Bonus Payouts are awarded only at events with the standard purse. Drivers in both classes earn Summit USRA Weekly Racing Series national points. Points funds are based on a drivers number of starts multiplied by the amount for that rank. Example: Champion has 15 starts X \$100 = \$1,500.

An Iron Man Membership is \$200 for the 2020 racing season. Only Iron Man Members are eligible for Bonus Payouts and Points Funds. Members pay a \$30 entry fee at each event. Non-members pay no entry fee but are not eligible for Bonus Payouts or Points Funds. Members earn Bonus Payouts at each event based on finish among other Members. USRA rules are enforced at each event.
